I hereby accept that I have requested this service and that I will pay the full amount of the expenses derived from this shipment according to the quotation that I have received at my full satisfaction, on or before this shipment crosses the border. I also accept and agree that in the case no quotation was requested nor supplied, the rates will be applied according to the company general rate schedule. The property herein described is marked and consigned, as indicated above. It is mutually agreed by both the shipper, consignee and Space Logistics that every service to be performed here under shall be subject to Space Logistics terms and conditions not prohibited by law, whether printed or written, and hereby agreed by the shipper and consignee and accepted for themselves and their assigns. I hereby declare that the contents of this consignment are fully accurately described above by proper shipping name and are classified, packed, marked and labeled, and are in all respects in proper condition for transport by rail, water or land according to applicable international and national government regulations. I further confirm that I have read and I accept the terms and conditions applicable to the rates for the service that I am in this act hiring. These terms and conditions are described in the general rate schedule or in the particular quotation that I received.
